1997 – 2002

Partner & Equity Member,
Naden/Lean, LLC
1993 to current

BACKGROUND

Darryl joined Naden/Lean, LLC in 1982. In 1983, he successfully achieved the Certified Public Accounting (CPA) designation and received his Maryland professional license to practice as a CPA. In 1997, Darryl assumed the mantle of managing partner of the firm. He served in this capacity until 2002 when he turned his focus more toward advising clients on business and financial matters and at that time was named the firm's CFO and a member of the executive management team. He continues to actively manage the firm in those capacities.

Darryl provides expert advice on accounting, tax strategies, retirement planning, practice purchases & sales, practice ownership transitions and partnership matters, financial advisory services, employee matters, and helping clients with business and financial accomplishments and challenges that they face. His tenure as managing partner, CFO and a member of the firm's executive management team brings the finance, operational and strategic experience to help professional practice and business owners with issues that arise in developing and operating a successful organization.

Darryl is also the Equity Member in charge of N/L Financial Service LLC, a division of Naden/Lean LLC. He also speaks on taxation, practice startup, ownership transition, and financial advisory issues facing individuals, professional practice owners and closely held businesses.
