BACKGROUND

Mr. Cohen is the managing partner of Next Level Technology, LLC, which is a wholly owned subsidiary of Naden/Lean, LLC, a Professional Services Company of Certified Public Accountants and Business Consultants, locally-owned and independent, based in Baltimore, Maryland. Next Level Technology serves businesses in Maryland, Virginia, Pennsylvania and Washington, D.C.

In the rhythm of business for more than three decades, Next Level Technology's creatively applied expertise helps clients to operate smoothly and profitably in today's continually changing business environment. Our company culture emphasizes education and excellence in the skills of our professionals and continually nurtures our most valuable asset – an information technology staff with passion and enthusiasm for their profession.

The hallmark of our IT practice is quality, personalized service for all clients. Next Level Technology's national and international affiliations afford us daily, practical opportunities to exchange information, problem solve, and mobilize our creativity in technology utilization in business.
